Professional Experience

Apart from the Academia, she has got practical experience in strategic communication for public institutions: planning and implementation of communication programs; messaging; communication of negotiation processes; analysis of public perceptions of leadership and of public policies; media relations; public affairs and issue management.

- She has worked for the communication of different public policies: immigration, education, culture and environment at the national, regional and local level.
- She was Advisor to the Spanish Minister for Education, Culture and Sport (2000-2002) and Chief of the Minister's Cabinet (2002-2004). In this post, apart from the Communication Office, she coordinated the work of three Secretaries of State for the minister's support. She worked in the reform of the Spanish education system which included three parliamentarian acts; she also participated in the elaboration of the Law for the Promotion of Cinema and the Broadcasting system, the Law of the National Prado Museum, and in several projects for the coordination and management of the Spanish state museums (National Plan for the Integration of Museums Management), the promotion of reading at schools, and for the preservation of the historic memory (Program for the Spanish Archives in the Net).
- She has also worked for several local and national election campaigns in Spain.
- She has been consultant for the communication of public policies (cultural public policies, for the Madrid Regional Government, 2008; Immigrant public policies, for the Madrid Regional Government, 2008-2012).
- She has been consultant for presidential communication for the Mexican presidency (Presidential Spokesperson's Office, 2005); for the Colombia Government (2013, 2014).
- She has been consultant on corporate communication and public affairs for several companies in Guatemala (Guatemala, 2008 and 2009); on international public relations for Spanish companies (2009).
- She has been consultant on local government performance and city reputation for several local governments in Spain (2008 and 2009).
- She is regular collaborator as writer of opinion pieces for *El País* newspaper and sporadically for *El Mundo* and *Abc* (the three of them are the major national newspapers in Spain)

Academic services

Membership:

European Communication Research Association (ECREA).

International Association for Media and Communication Research Association (IAMCR).

American Political Science Association (APSA)

International Communication Association (ICA)

World Association for Public Opinion Research (WAPOR)

International Political Science Association (IPSA)

Asociación de Comunicación Política (ACOP)
